MOTOR VEHICLE MODIFICATION GUIDE

THE FIRST STEPS IN VEHICLE MODIFICATIONS

OK DRS assists individuals in attaining or maintaining community integrated employment. Inaccessible transportation is a major barrier in attaining and maintaining employment and this is how our agency may be the key to employment.

1. Contact 1-800-487-4042 and enter your zip code to find your local OK-DRS office to complete the application proocess and meet eligibility requirements.

2. Some of your specific needs may require a prescription.

3. You will need to own/co-own an approved vehicle of sound structure and condition inspected by an ASE or manufacturer certified mechanic.

4. You must maintain collision and comprehensive insurance on vehicle and accommodating equipment.

5. You must have a valid OK driver's license.

THE PROCESS

Your Counselor will coordinate and collaborate with you in making positive choices to facilitate transportation accessibility.

1. Coordinate driver's training opportunities that could help you obtain a valid Oklahoma driver's license.

2. Provide information to assist you in making appropriate choices to your specific vehicle modification needs.

3. Provide opportunity to confer with specialists who assist in the vehicle modification process.

DRS MAY ASSIST IN THE FOLLOWING MODIFICATIONS

- Evaluation of an individual's ability to operate a motor vehicle;
- Prescription of required devices specific to both the individual's needs and the vehicle;
- Assist with the cost of the vehicle modificaton and advise concerning preinstalled equipment;
- Purchase and installation of adaptations or devices in your vehicle;
- Training in the operation of the vehicle.
