

1 **612:10-7-102. Dental services [AMENDED]**

2

3 (a) If the counselor determines the client has a dental condition that poses a
4 substantial impediment to job search or retention, dental services may be
5 provided with Field Coordinator approval. Dental services provided concurrently
6 during the provision of other services must meet the requirements for intercurrent
7 illness (612:10-7-107) ~~and do not require Field Coordinator approval.~~

8

9 (b) Dental services may be provided only by licensed dentists who have current
10 medical vendor agreements with the Department of Rehabilitation Services.
11 Hospitalization for such treatment is done only when there is the presence of a
12 medical condition requiring hospitalization. ~~Field Coordinator approval is~~
13 ~~required.~~
