

1 **612:10-7-27. Career planning center services [REVOKED]**
2

3 ~~(a) To evaluate the likely employment outcome of vocational rehabilitation~~
4 ~~services for an individual, the counselor needs to collect information regarding~~
5 ~~work history, special aptitudes, past training, and job expectations of the client.~~
6 ~~The purpose of career planning centers is to provide a systematic individualized~~
7 ~~program to assess the likely benefit of vocational rehabilitation services to the~~
8 ~~individual in terms of an employment outcome.~~

9
10 ~~(b) Requests for vocational evaluations from outside agencies will be referred to~~
11 ~~the appropriate career planning center. The career planning center staff will~~
12 ~~inform the referring agency about referral procedures and daily charges. Outside~~
13 ~~agencies will be informed that DRS clients and persons with disabilities are given~~
14 ~~priority.~~
