

Instructions for ESS-C-153n

Instructions for ESS-C-153n (DRS Counselor Written Approval for completing less than three (3) different activities (if applicable))

(In contract: SESC)

In some cases, less than three (3) different exploration activities may be needed to complete the Career Exploration service. Contractors must provide written documentation to justify their request to use less than the three (3) different activities to complete this service, and obtain written approval from the DRS Counselor. **Written approval from the DRS Counselor must be maintained in the individual's Case Documentation file.**
