

## The Oklahoma Department of Rehabilitation Services (DRS)

*DRS expands opportunities for employment, independent life, and economic self-sufficiency by helping Oklahomans with disabilities bridge barriers to success in the workplace, school, and at home.*

The primary vocational rehabilitation services are counseling and guidance with job placement. However, other services may also be provided as needed for an individual to compensate for, correct, or prevent disability-based barriers to employment. These services can include, but are not limited to:

- Physical or mental restoration
- Vocational, college or other training
- Assistive technology evaluations, equipment, and training
- Information on disability resources
- Transportation in connection with VR services being provided
- Supported employment
- Self-employment assistance
- Transition school-to-work services for youth with disabilities
