Celebrate accomplishments. Share your stories.

People with Disabilities Awareness Day 2024 is a time to celebrate the accomplishments of Oklahomans with disabilities and share our stories with lawmakers. Talking to lawmakers is important because they need to know what programs are empowering Oklahomans with disabilities to reach their goals of an independent life and fulfilling career.

You have a better chance of talking to your Legislator in person if you call to make an appointment at least two weeks before Awareness Day. Find out who your Legislators are at ddcapp.oklegislature.gov.

Or call to make an appointment:

Senate: 405-524-0126, House of Representatives: 800-522-8502

Wear Green!

To stand united, we encourage everyone to WEAR GREEN. When decision makers see a lot of people in the halls or rotundas all wearing disability-awareness green, our efforts have an even greater impact.
